

Digital resilience for the finance industry

DORA requires digital operational resilience across the finance industry and their third parties. We give you the framework for ICT risk management, incident reporting, and oversight of critical providers.

COMPLIANCE

Workflow tools, datapoints, reports.

ACADEMY

Training, certificates, exam.

What you get

- ✓ Pre-configured ICT risk framework
- ✓ Major incident reporting in EU format
- ✓ Third-party register with criticality scoring
- ✓ Digital operational resilience testing documentation

Use case

A Nordic insurance company uses LexiCompliance DORA to track all 200+ critical IT providers, perform quarterly continuity testing, and report incidents to the FSA within the legal deadline.
