

Sustainable finance reporting

SFDR mandates sustainability reporting for financial products. We support Article 6/8/9 classification, PAI calculation, and periodic reports.

COMPLIANCE

Workflow tools, datapoints, reports.

ACADEMY

Training, certificates, exam.

What you get

- ✓ Article 6/8/9 classification per product
- ✓ PAI indicator calculation (16 mandatory)
- ✓ Periodic reports pre-structured
- ✓ Climate contribution calculation per portfolio

Use case

A capital manager uses LexiCompliance SFDR to classify 80 fund products, calculate PAIs across the portfolio, and deliver SFDR reports to clients and authorities semi-annually.
